Dear Parents,

I hope you had a very enjoyable and restful half term.

Building

The building work is finished! We no longer have builders, painters or plumbers on site which is such a relief. The new classroom and library are a joy to behold. We look forward to showing you the new space over the coming weeks.

The playground re-surfacing will take place over the Easter holidays, then St Lawrence CE Primary School will indeed look very smart!

Parent Consultations—Thursday 15th March and Tuesday 20th March

We are changing our system slightly this term by asking you to sign up for a slot on a board which will be on the playground (weather permitting) at drop-off and pick up from Thursday 22nd February onwards. Please make sure you take time to come and sign up over the next few days. If you are unable to come in personally then ring the school office and they will be able to let you know availability.

World Book Day – 1st March

This year we are celebrating World Book Day by reading with others in the local community. Classes will be either visiting a pre-school or a residential care-home, visiting the library or welcoming a member of the local community into school. In each case favourite stories will be shared. Please look out for the World Book Day letter for further details regarding your child's class.

Your child may come to school dressed as a book character if they choose but please ensure they are dressed to walk to local venues. We are also looking for volunteers to walk with us to a variety of venues, please sign up on the reply slip if you are able to help.

EASTER FUN DAY - Weds 28th March

The PTA are arranging for a fun day to take place on Weds 28th March to raise money for playground equipment. The day will culminate in a school disco. Please watch out for further details.

Teacher Training

If you know anyone who is thinking of becoming a teacher please encourage them to come and speak to me. It is possible to train right here in Alton if you already have an initial degree.

Churchyard– after school

Please could we ask parents to keep an eye on their children in the churchyard after school. Several children have been spotted hanging from the Yew tree precariously. We have also received a complaint from Busy Bees Pre-School who are sited in the Parish Centre. They informed us that yesterday some boys were throwing sticks and pine cones at their windows, when asked to stop they laughed and ran away but later returned and continued to throw sticks. Thank you.

Have a look at our new classroom and library!
