Jesus said, "Love one another as I have loved you." (John 13:34)

Dear Parents,

Happy New Year! Thank you so much for your kind wishes, gifts and cards. As ever, the staff at St. Lawrence are extremely grateful. We hope that you all had a fantastic break.

The children have returned to school well rested and eager to learn. We have a fantastic range of topics being explored this term from 'A spoonful of sugar' to 'For Narnia and for Aslan.'

Year 5 visit to Bletchley Park

On Monday the 17th of December Sycamore Class went to Bletchley and had a brilliant time. As the coach trip was 3 hours long we were allowed to bring stuff to entertain us. We even sang on the coach. When we arrived we went straight up to our classroom where we learnt to break codes. We were very lucky to see one of the only Enigma Machines left in the world. There are only two hundred left in the world but one hundred and eighty of them are behind glass. Even luckier, we got to type a letter on it. So that means that we typed a letter on one of the only twenty Enigma Machines left in the world! Then we had an excellent tour all around Bletchley. After that, we went home and arrived at home at five o'clock.

By Oliver and Haroon.

Alton Library Club

On Wednesday 13th December, six Year 5s from Sycamore class were invited to the Alton Library club. All of us had to take our books so we could show them what we were reading and what they were about. We went and sat with the elderly people, who attended, and talked to them about our books. Also we asked them about their lives and what it was like growing up. We enjoyed talking to them and we also helped them complete a quiz. One of the questions in the quiz was to name board games from pictures (some of them were really old). Some of the questions were harder than others. We were also asked questions like "How many of Santa's reindeers can you name?" We loved going to the library and we enjoyed reading our books to the elderly people. Unfortunately we had to leave to get back to school. We think they enjoyed having us there because they sent thank you cards. Some of us even got to talk to the oldest man in England, called Bob!

Alton Buckle free 6 week programme—Understanding Your Child's Behaviour

For families with children aged 5-12 years, Alton Buckle is running a 6 week programme for parents who may need that extra support and help in understanding their child's behaviour. Held at St. Lawrence CE Primary School every Wednesday morning from 9.30am - 11am starting from Wednesday 23rd January 2019.

Welcome Wednesday

On the 30th January we will be holding our Welcome Wednesday from 2.30pm where we will have a book focus. You are all welcome to come in and read with your children. The library will also be open for you to go and share books with your children or get new books out with them. We hope to see you there!
